Other announcements and issues for discussion

Recently a youth club member asked about making a record attempt at an ERC track meet. Dale Peterson researched the requirements and discussed the topic with the ERC board via email. ERC would need to hold a USATF sanctioned event which would take considerable planning and effort and would be challenging to arrange in time for this track season. There was a consensus via email not to move forward. The youth and his family were appreciative of the topic's consideration.

Mike Maguire reviewed the multiple permitting costs for Kenwood Footrace and the need to purchase them far in advance for the next year's race.

Drawing: none

Adjournment: 7:56
